What is a Klondike Derby?

Many years ago, men raced across the Alaskan wilderness by means of dogs and sleds. Scouting has taken this idea and created the Klondike Derby. Each patrol builds a sled, collects materials and equipment and prepares to embark on the Klondike adventure and participate as a team in the derby.

General Information

Registration Fee \$10 per person (both youth and adult)

Additional Patches May be purchased for \$3 each while supplies are available

Adult Leadership

Per BSA Youth Protection guidelines, a minimum of two registered adult leaders must be in attendance; a responsible (age 21 or older) must be in camp at all times. You are responsible for your Scouts.

2021 WHH Klondike COVID Protocol

Your safety and the safety of all our participants and volunteer staff is this training Course's top priority. While there is still much uncertainty regarding COVID-19, we are monitoring the information provided by health experts and government agencies to help keep safe those who choose to attend this training.

Our Council Health Supervisor is coordinating with state and local health departments to ensure we are informed of and comply with their guidance to mitigate the risks of COVID-19 while at this event [a Scout is Obedient]

For 2021 Klondike, our mitigation plan includes:

- Self-completed health screening form preceding your arrival at Klondike [Scout is Trustworthy].
- We will limit any visitors to the Event to a small number of Council Leaders integral to the Klondike. These visitors will also complete the pre-screening form.
- Our Program will be conducted outdoors.
- All Staff and Participants will be asked to wear a facial covering (covers mouth and nose) during the any activity that places them in close contact with others for more than 15 minutes, even outdoors.

While these precautions are important, they cannot eliminate the potential for exposure to COVID-19 or any other illness while at the Klondike. We also know the very nature of Scouting makes physical distancing difficult in many situations and impossible in others.

Experts have said that people with COVID-19 may show no signs or symptoms of illness, but can still spread the virus, and people may be contagious before their symptoms occur. The fact is that someone with COVID-19 may pass the required health screenings and be allowed into the training.

Please reflect on and consider that “people at higher risk of serious illness from COVID-19 are those 65 or older, those with underlying chronic and /or severe medical conditions such as asthma, diabetes, or heart, lung, liver or kidney disease; those who are immunocompromised and those who are obese.” We understand that these or other considerations may mean that to keep yourself physically strong, you will need to withdraw from this event and wait to participate at another time.

To reduce large group gatherings, NO meals will be served. Each unit is expected to prepare their own meals at their campsite.

The Dining Hall and shower houses will not be open except for heat or restroom access.

Each Campsite is limited to 10 people. Larger units wishing to stay together, will be accommodated in the Sports Field.

One person per tent, except for immediate family members.

Each person is responsible for keeping themselves safe and communicating their personal safety needs to those around them at all times.

In case of Emergencies

First Aid

All units must have their own first aid equipment and have them easily accessible for use. Emergencies and serious first aid incidents must immediately be reported to the Klondike First Aid officer.

BSA Medical Forms

All Scouts and adult leaders are required to have health forms on site. Units must have them available at all times.

Vehicles

All vehicles must be parked in the main parking lot near the dining hall. One designated vehicle will be allowed in the camping area for unloading of equipment, but please quickly bring it back to the main parking lot. No passengers in the back of an open truck or trailer. Vehicles will not be permitted to remain in camp.

Fires

Campfires are allowed in above ground fire barrels or camp designated fire pits only.

Food

Each unit is responsible for making sure it provides enough food for all of its participants for the entire event. Patrol cooking is encouraged for all Troops, Crews, etc. for this event.

Water

Troops should bring their own water for the start of the Klondike. Frost free water spigots will be located throughout camp.

Volunteers Needed

We are asking for two adult volunteers from each troop to help run stations throughout the day. We will be having a staff meeting after the SPL meeting on Saturday morning. No special skills are required for the volunteers and all who wish to help will be welcome.

Restrooms

The shower houses in camp will be closed during the Klondike. The latrines will be open, however, and are located near campsites throughout camp.

Klondike Equipment

Below is a list of items that Scouts may want to consider placing on their sled for the stations. Bolded items are strongly suggested to be had for the sled. Ideally, they will pack all equipment into daypacks and pack the daypacks onto the sleds (school backpacks work fine). Scouts may bring any extra equipment that they may deem necessary given the station themes.

Klondike Derby Check-In Procedure

Leaders should be prepared with the following for the SPL meeting:

- Troop Rosters
- Payment if any is due
- Names of leaders/parents to run a station on Saturday

Competition and Activities

The weekend will be filled with FUN and competition. Scouts will compete as a Patrol (4-8 Scouts) to demonstrate their Scout skills. The settlements for Scouts to help will be spread out over much of Camp. Scouts will compete by participating in a variety of activities which requires Scouts to demonstrate basic Scouting skills, teamwork, problem solving and most of all show Scout Spirit!

All of the challenges for the 2021 Klondike Derby are based on portions of the Scout Handbook and may contain the following themes....

***Fire Building**

***Orienteering**

***Shelter Building**

***Lashings**

***Axe, Hatchet, and Saw Use**

***First Aid**

***And Much More**

Saturday night will conclude with a campfire. We will have time for some skits or songs. If you are interested, please submit your skit/song by Saturday at lunch to the campfire coordinator. Scouts that perform a song or skit will receive a bonus. Please fill out the survey at the end of this document after the Klondike and hand it in when you checkout. This will allow us to plan better events in the future. Thank You.
