MEANINGS:

SCOUT OATH:

On my honor I will do my best ... Means that you promise you will do your best to do what the Scout Oath says.

To do my duty to God and my country and to obey the Scout Law ... A duty is something you are expected to do. At home, you might be expected to help at home. You also have duties to God and to your country. You do your duty to God by following the teachings of your family and religious leaders. You do your duty to your country by being a good citizen and obeying the law. You also promise to live by the 12 points of the Scout Law.

To help other people at all times ... Many people need help. A friendly smile and a helping hand make life easier for others. By helping other people, you are doing a Good Turn and making our world a better place.

To keep myself physically strong, mentally awake, and morally straight ... The last part of the Scout Oath is about taking care of yourself. You stay physically strong when you eat the right foods and get plenty of exercise. You stay mentally awake when you work hard in school, learn all you can, and ask questions. You stay morally straight when you do the right thing and live your life with honesty.

Scout Law: The Scout Law has 12 points. Each is a goal for every Scout. He does his best to live up to the Law every day. It is not always easy to do, but a Scout always tries.

HELPFUL. A Scout volunteers to help others without expecting a reward.

FRIENDLY. A Scout is a friend to everyone, even people who are very different from him.

COURTEOUS. A Scout is polite to everyone and always uses good manners.

KIND. A Scout treats others as he wants to be treated. He never harms or kills any living thing without good reason.

OBEDIENT. A Scout follows the rules of his family, school, and pack. He obeys the laws of his community and country.

CHEERFUL. A Scout looks for the bright side of life. He cheerfully does tasks that come his way. He tries to make others happy.

THRIFTY. A Scout works to pay his way. He uses time, property, and natural resources wisely.

CLEAN. A Scout keeps his body and mind fit. He helps keep his home and community clean.

REVERENT. A Scout is reverent toward God. He is faithful in his religious duties. He respects the beliefs of others.

Cub Scout Motto: A motto is a guiding principle and rule for living. Do Your Best means trying your hardest, not just a little bit. Do your best all the time.

My Rube Goldberg Machine

Rube Goldberg was an American Pulitzer Prize winning cartoonist, sculptor, author, engineer, and inventor. Goldberg was famous for drawing elaborate pictures of crazy contraptions made up of pulleys, cups, birds, balloons, and watering cans that were designed to solve a simple task like wiping your face with a napkin in the picture below. Draw a sketch of a machine that will make an easy task, like folding a piece of paper, really complicated. Once you have your sketch, try to make your machine with the materials available.
