

Welcome to Cub Leader Training,

Thank you for registering for Cub Leader Training. Every Scout deserves a trained leader. This is only possible by the commitment you are making. Our training staff has a great session planned for Saturday. Here are some pointers to prepare for the training:

- Training is at Church of the Saviour (8005 Pfeiffer Road). Plan to **arrive @8:45am**. Class will start at 9am. Expect to be done at 12pm.
- **Pre-requisites** you need to complete in advance of the training:
 - **You must take Youth Protection Training:** We do not give credit to Youth Protection Training. You must take this on your own prior to the course. It does take about an hour to complete, but is required for all leaders to complete before 10/1/18. Log into <http://my.scouting.org> and click the logo in the upper left to complete
 - **You must take Hazardous Weather Training:** We also do not give credit to Hazardous Weather Training. This is another module that takes approximately 30 minutes to complete. Log into <http://my.scouting.org> and click the BSA Learns icon. Search for “Hazardous” in the Course Catalog menu option.
- Come ready to learn and to have fun! Bring something to write on if you can.

Thank again for registering. We look forward to meeting each one of you. If you have any questions you can reach me at any of the contact info below.

Yours in Scouting,
Mike Carlton
